Profile

Experienced corporate lawyer specializing in project-based interim mandates in commercial law, intellectual property, information technology and compliance. Practically oriented, entrepreneurial mindset, immediately deployable in fast-changing environments.

Professional Experience

Legal Interim | Project Lawyer

Since September 2021

- Took over interim counsel mandates for renowned companies (e.g., Biotronik, IMI Precision, Mazda, Bosch, Coca-Cola Europacific, BP Europe).
- Advised on IP/IT, contracts, due diligence, data protection, and compliance.

Founder & Managing Partner, Vancy GmbH

January 2022 – March 2025

- Developed and launched a social networking platform for B2B.
- Overall responsibility for product strategy, team leadership, and investor/stakeholder management.

Advisory Board Member, Foundation Dorean (honorary)

Since January 2020

- Provided strategic legal advice in food law, unfair competition law, data protection, and partnership structuring.

Managing Director & Syndicate Counsel, VOSS Geschäftsführungs Service GmbH

April 2017 – December 2022

- Led group-wide licensing operations in the automotive sector.
- Focused on license agreements, contracts, CSR/ESG compliance, and M&A support.

Co-Founder & Managing Director, 'Spam-Krokodil'

May 2015 – June 2018

- Built a legal-tech startup enforcing consumer rights.
- Responsible for legal strategy, software integration, and claims enforcement.

Independent Counsel

Since August 2011

- Advised on trademark, copyright, competition, and data protection law.
- Drafted contracts (A-Z), terms & conditions, and represented clients in out-of-court and court proceedings.

Associate (Freelance), BaumgartenBrandt Rechtsanwälte GbR

October 2010 – August 2011

- Specialized in copyright and trademark law and legal conceptualization of online projects.

Education & Further Training

- Dr. iur., European University Viadrina (2018)
- LL.M., University of Stellenbosch (2010)
- First and Second State Law Exams, University of Konstanz / Berlin Bar Association
