## LANGUAGES

- English | Advanced

## SUMMARY

Expert in Data Privacy Laws since 2001

## EXPERIENCE

### LAWYER / EXPERT IN DATA PRIVACY LAW

**Deutsche Bank AG.** Frankfurt am Main | Nov 2008 - Present

My previous tasks

- Project consulting and support in the legal advisory for the infrastructure function regarding the permissibility of processing personal data.
- Project consulting and legal advice on the transfer of data from a Deutsche Bank legal entity under the GDPR as well as in countries with comparable regulatory requirements, especially data protection impact assessments and transfer impact assessments.
- Coordination and alignment of the aforementioned data protection law issues in global projects of Deutsche Bank AG with regional and divisional contacts in data protection.
- Legal opinions for project managers or executives, as well as examining the impacts of new data protection laws and regulatory requirements; supporting the business areas in implementation.
- Assistance to the respective infrastructure areas in responding to complex inquiries or complaints.
- Professional support for audit activities and assistance to the GDP Controls Assurance Teams.
- Processing of submissions from the data protection supervisory authority.

### LAWYER / EXPERT IN DATA PRIVACY LAW

**HOCHTIEF AG.** Frankfurt am Main | Feb 2001 - Nov 2008

Consultation of large and medium-sized companies from various industries as an external data protection officer (HOCHTIEF offered this service in the field of consulting to external companies). This included banks, healthcare, sports goods companies, as well as industrial and pharmaceutical companies.

My strengths

- High analytical skills combined with creative problem-solving ability, legal excellence, and an understanding of regulatory issues
- good knowledge of information security and competition law, experience in drafting policies, interpreting and negotiating contracts
- Excellent communication skills, fluent in German and English, both spoken and written
- Very good knowledge of data protection laws in Europe and the United Kingdom
- Confident, friendly demeanor and solution-oriented action
